Signature: _____ Date: _____

APPLICATION PROCESS: Fill out this application form, and return it to: tanzaniagoesmud@gmail.com

We will review your application. If accepted, Nka will send you a letter of invitation to participate in our project.

NOTES

- (1) Costs:** No application fee is required. All international participants are required to pay for food and accommodation at the weekly rate of 80€ by homestay plus 250€ as project contribution regardless of the length of your stay. A nonrefundable deposit of €100 will be requested from the participant to reserve your spot in the workshop.
- (2) Project Report (not required of volunteers and independent practitioners):** At the end of the workshop, we require all student participants to collaborate with the Workshop Director to put together a Visual Report in PDF or 10-minute DVD to document and publicize the results of your efforts in the workshop. For the documentary, we will need from you any text and visual information (such as sketches, drawings, process photos, or video clips) you generated during the entire experience from your arrival to departure moments.
- (3) Course Credit:** Nka Foundation will support students who have a specific research topic they wish to develop to earn college credit. However, the topic must be preapproved by Nka in advance of starting the research or internship course. The specific criteria necessary to earn credit will also need to be coordinated between Nka and the teacher involved. If

this is the case, please provide necessary information and the school contact person who will coordinate your study abroad course.

- (4) **Schedule:** We are flexible. However, interns are expected to work at least 25 hours per week during an 8 to 12 week internship.
- (5) **Keep in Mind:** Our project sites are rural locations, most precisely deep in the village in Tanzania, where the convenience of development has not reached.
